

Demetrius Goutsas - Opened Meeting

Resolution to Amend AHEPA Constitution + Bylaws  
to Clarify the Sons of Heracles Membership in AHEPA  
+ to increase supreme lodge accountability to the Sons  
of Heracles

Noray Couderis said issues 20 years old but  
challenge is what is the best transition that there should  
be a motion to set up a Committee on the National  
Level - What should be the proper age to transition  
to meet concerns of parents + concerns about level of  
maturity to participate - Vote for proposal of Amendment #1

John Estios - should allow age 21 to be an  
automatic member of AHEPA - Need motivation

Kostas -> Church is involved in transition

Juke -> maybe outdated

George -> Define progress + create engaging them  
to apply the principles of Hellenism

We approve the proposed amendment to be referred  
to the National Constitutional Committee -  
Unanimous approval
