

Tom Grias- Athletic Director

Chapter 427- Made visit to Chapter in February 08 to explain District Governors initiatives and see what assistance they needed. The Chapter has gone from an active membership of 50 to just 7. The Chapter voted to donate all their money to the new church being built and then basically leave the chapter with nothing and become non-active. There are a few members trying to reestablish the Chapter and get it back on its feet, but due to lack of funds there is not much they are able to do. I have been working with the Chapter on setting up a golf Tournament in the fall to raise money for both a Charity and themselves. I believe with a little pushing the Chapter can get back on its feet and active again.

Chapter 241- Made a visit to Chapter in February and upon arrival found out I was given wrong meeting date from Chapter President. Was not able to make another trip down to visit Chapter, spoke to President a few times and was not any real interest in having district visits.

Chapter 122- Have tried to communicate with Chapter President for a year and no response. Personally sent over 30 emails to Chapter President requesting information from and never received response.

I appreciate the opportunity to serve on the district lodge. I wish I had time to accomplish more but will continue to work with Chapter 427 on putting together a successful Golf tournament in the fall.
