Dear Sisters:

I would like to begin by thanking our Grand President Karen Stamatiades for selecting me to be the chairman of the prestigious Penelope of the Year Committee for 2008.

The Penelope of the Year is the highest award given yearly to a worthy and outstanding Sister in our Order. The Penelope of the Year starts at the Chapter level. The application of the selected Sister is then submitted to the respective District Governor for consideration at the District Convention for District Penelope of the Year. The winning application is then forwarded to the National Chairman where all District winners are considered for National Penelope of the Year. This year that selection will take place in Athens, Greece.

Being elected Chapter Penelope of the Year is a testament of a Daughter's hard work and dedication to her Chapter. This achievement should be recognized as such. Honor your selection with a card, flowers, a lunch or dinner in her honor, or a small token of appreciation.

The District Penelope of the Year winner should also be honored with the presentation of a pin, or however that District chooses to honor their selection. Most importantly, the application of the District Penelope of the Year must be forwarded to the National Chairman for the honor of being considered as National Penelope of the Year.

It is the responsibility of the District Governor to mail the completed and signed form to the National Chairman postmarked by **June 17th, 2008**, return receipt requested. If this deadline poses a problem for any District, please contact me at the number listed below and alternate arrangements will be made.

My goal this year is to have a District Penelope of the Year submitted from every District! I need your help in making this goal become a reality. Thank you for the time and effort in your selection and submission.

If you have any questions on filling out the application, please contact me and I will try to answer your questions.

Yours in Theta Pi,

Angela Magrames
